RUMANIANS YIELD THE ALT

Bucharest Admits They've Withdrawn Their Line There

BULGARIANS AND

Invaders of Rumania Have lighted to create a situation under which Crossed the Danube in Two Places

The Teutonic campaign against Rumania is developing rapidly, with a converging drive on Bucharest from three directions in progress. An immediate threat of the capital seems greatest on the southwest, where the invaders have, approached to within 50 miles, after Field Marshal Von Mackensen had forced enhayn. They are pressing rapidly eastward, after having broken Rumanian resistance on the lower Alt.

In Dobrudia, north of the Constanza-Tchernovoda line, the Russian advance ing on the Macedonian front is less general on account of bad weather. Ex-

of the river Alt, the war office announces. The Bulgarian German forces under under his personal inspection.

RUMANIAN ARMY HAS BEEN TRAPPED

Forces Retreating from Orsova are Reported by Berlin to Be in Precarious Position.

Berlin, by wireless, Nov. 27.-German and Austro-Hungarian troops, advancing cavalry division that offered battle, the on both sides of the river Alt in Wallachia, yesterday pushed back the Ruma-nian line beyond Topolog river, says the nian line beyond Topolog river, says the eastward is occupied by fleeing cart colofficial statement to-day.
